

TO HONOR VETERANS

Spanish War Veterans to Have Monument Erected.

MANY PROMINENT SPEAKERS

Monument Will be Unveiled on May 30 With Appropriate Ceremonies
—Mayor Lane, Harvey Scott, and Others Will Speak.

—The unveiling of the monument erected in the Plaza Block in honor of the soldiers of the Spanish-American War will be an event of extraordinary importance.

The principal speaker of the day will be General Thomas M. Anderson. There will also be addressed by Hon. Harvey W. Scott, Hon. Harry Lane, Mayor, and others. In discussing this monument General Anderson says that he considers it one of the finest in the United States, and creditable to the Oregon Volunteers.

The Chairman of the Invitation Committee, Chaplain Gordon A. Peel of the Spanish War Veterans, says that the Veterans of Portland are more than anxious to have their comrades from all portions of Oregon in attendance, and they can rest assured of a most cordial welcome.

The Fourteenth Regiment Band from Vancouver Barracks will be in attendance, and other features of the musical program will be of extraordinary interest. The railroads have made specially low rates from all points, and it is suggested that the details can be secured from local agents at all stations. The parade will begin at 1:45 and will culminate in the unveiling of the monument at 3:00 on the afternoon of May 30th.

"Vacation Estimates" on the coast of a summer's outing in Colorado and Utah, is the theme of the newest booklet issued by the Passenger Department of the Denver & Rio Grand Railroad. One is told what can be done or seen on an expedition of \$10.00 per week and up.

REVOLUTIONISTS WIN.

NEW YORK, May 25.—A cable dispatch to the Herald from Buenos Ayres, Argentina, says: Paraguay telegrams from Asuncion say that the revolutionists in the State of Matto Grosso, headed by Dr. Generoso Ponce, captured the towns of Corumba, Santa Ana de Parahibo and Paocm, and are now near Cuyaba, the capital of the state. The governor, Senor Paez, arrested the chiefs of the revolutionaries on the 10th instant, but afterward set them at liberty, the revolutionists promising to remain calm. Three days later new arrests were made and Senor Ponce then began his advance toward Cuyaba. Several fights took place and numbers were killed or wounded. The revolutionists were mostly victorious. The federal troops protect the neutrals.

Growing Aches and Pains.

Mrs. Josie Sumner, Bremond, Tex., writes, April 15, 1902. "I have used Ballard's Snow Liniment in my family for three years. I would not be without it in the house. I have used it on my little girl for growing pains and aches in her knees. It cured her right away. I have also used it for frost bitten feet, with good success. It is the best liniment I ever used." 25c, 50c and \$1.00.

ATHLETES ARRIVE.

NEW YORK, May 25.—The White Star liner Republic having on board the victorious American athletes, who compete in the Olympic games at Athens, Greece, arrived in quarantine at 5:15 o'clock this morning.

Hundreds of friends were on hand prepared to give the world's champions a rousing reception when the steamer docked about 8 o'clock.

WILL FILED FOR PROBATE.

CHICAGO, May 25.—A dispatch to the Record-Herald from St. Louis says:

The will of Mrs. Julia Lemp, the widow of William J. Lemp, millionaire brewer was filed for probate yesterday. The value of her estate is estimated at \$10,000,000. Miss Elsa Lemp is left one-seventh of the estate, which is to be held in trust until she is thirty years old, by her brothers, William J. Lemp Jr., and Charles A. Lemp. She is to get \$1,000,000 on the day of her marriage and if she goes without issue before she is thirty years old her share will revert to the other heirs. Each of the other six children get equal shares of the estate, but some of the bequests are conditional.

Exposure

To cold draughts of air, to keen and cutting winds, sudden changes of the temperature, scanty clothing, undue exposure of the throat and neck after public speaking and singing, bring on coughs and colds.

Ballard's Horehound Syrup is the best cure. Mrs. A. Barr, Houston, Tex., writes, Jan. 31, 1902: "One bottle of Ballard's Horehound Syrup cured me of a very bad cough. It is very pleasant to take. Sold by Hart's drug store."

MARINE MEMORANDA

Costa Rica Has Slight Mix Up With Roanoke.

SALMON RUN IS INCREASING

Steamers Roanoke and Costa Rica Leave Out For Southern Ports With Freight and Passengers—Other Items.

The steamship Costa Rica arrived down from Portland yesterday morning early with a good list of passengers on board, San Francisco bound, and a heavy load of merchandise. She started away from the O. R. & N. pier about 9:30 o'clock, but Captain Curtis made a bad calculation in heading out of the berth and failed to make enough channel-way, with the result that in a jiffy she was foul of the steamship Roanoke which was berthed at the Callender dock, to the westward; the ships came together very gently, however, and no damage was done to either, but the Costa Rica was rendered helpless and had to send for Captain Reed and the bar tug Wallula, with whose help she was soon in mid-stream and headed for the bar. The strong inset from the ship channel for the upper river, bolstered by a spanking northeast wind, wind, were responsible for the mishap, which was, happily, without any serious consequences, other than the delay of half an hour in getting to sea.

When the steamer Lurline passed the steamship George W. Elder yesterday there was smoke and steam coming from the Elder's funnel and pipes, indicating that she was under her own steam. The pumps were working hard, and great volumes of water were pouring from her scuppers. The steamers Harvest Queen and Oklahoma were alongside, and it was evident she was about ready to start for Portland and the drydock. Good luck to her and her new owner. The Lurline went up on time last night with the following people on her: D. H. Welch, H. Moore and J. A. Bailey. By the way, Agent Fowler of the Kamm Line, in this city, has had the office and waiting room of the Flaved waiting room newly painted from one end to the other and it looks as clean and comfortable as such embellishment can make it.

The steamship Roanoke came down from the metropolis about 9 o'clock yesterday morning and made fast at the Callender pier, where she laid for about half an hour. She had thirty-one people on board, bound, variously, for Eureka, San Francisco, and Los Angeles. She went to sea at the same instant as the Costa Rica. E. K. Johnson and J. Kuntz, were passengers on the Roanoke out of Astoria.

FLOTSAM AND JETSAM.

The steamer Tiverton arrived in from San Francisco yesterday afternoon and after a short stay at the Callender wharf, went on to Portland.

The sum of \$1,900 was paid out yesterday by the customs authorities at this port, to the crew of the schooner Alumna, just in from Valparaiso, Chili.

The steamer Asuncion is due from San Francisco this morning with her usual quota of oil. She is too fine a looking craft to be an oil-hooker.

The steamer Telegraph came down on time yesterday with thirty-three people from Portland and way landings, among whom were about twenty I. O. O. F. delegates from this section who have been in attendance upon the Grand Lodge of Odd Fellows at Portland during the past week.

The word is going around that the salmon are running in greater numbers than at any time this season, and the predicate is considered good for a continuance. It is cordially hoped that this is the case, as matters have been pretty dubious with the fishing worlds about here since the fifteenth of last month.

The barometer went down yesterday to a point that, in the language of one of the best posted mariners of this port, was "the lowest he had seen it this season." Later, the weather observer here, Mr. Powell, of the W. U. sent up storm signals, on receipt of the intelligence that a heavy southeast storm was due.

H. C. Binder boarded the steamship Roanoke yesterday morning, as first as-

sistent engineer, taking the place of the regular "First," who is acting chief in the absence of Chief Engineer Dunham, who has laid off to inspect the engine of the steamer George W. Elder just floated from the scene of her wreck, and now at Portland.

A Natural Laxative

Inward cleansing is as necessary as outward bathing. To keep the bowels free and regular is of even greater importance than to keep the skin-pores from becoming clogged. The neglect of either invites disease. Everyone needs a natural laxative occasionally, to free the bowels of accumulated impurities. For this purpose take

BEECHAM'S PILLS

the greatest boon ever offered to those who suffer from the ills that follow constipation. For over fifty years Beecham's Pills have been famous as a Stomach corrective, a Liver regulator and Bowel laxative. They never gripe nor cause pain. Powerful purgatives are dangerous. Avoid them. Use Beecham's Pills. They give relief without doing violence to any organ. Their action is in harmony with physical laws. Take them regularly and the necessity for their use becomes less frequent. They are a natural laxative and a positive cure for Constipation, Biliousness, Indigestion, Sick Headache and Dyspepsia.
